## Child care funding supplement application

If the expenses are different in different quarters, then enter the child's information on more than one row, using as many rows as there are quarters with different expenses. See example on the next page.

Child's name	Unreimbursed Child care expenses per quarter (after annual GD \$1,100 if applicable)	Child care provider	Child health insurance premium per quarter	Relevant term(s)	Total per child
					Grand total

## Child care funding supplement application
